

**INDIAN SPRINGS**  
**GOLF AND COUNTRY CLUB**

March 1, 2002

To Whom It May Concern:

This letter is drafted in support of Mr. Tony Cunzio and his team at United Irrigation, Inc. who in 1999 was awarded the landscape and irrigation contract at Indian Springs Golf and Country Club in La Quinta, California.

Tony's knowledge and skills were truly tested when he agreed to do what many thought would be impossible; design, supply and install a total of 22 holes of irrigation and landscape within a 90 day time frame. Tony was provided less than a week of preparation time and given construction guidelines that parallel some of the very best golf courses within the Palm Springs area.

To our amazement, and extreme satisfaction, the project was finished on time and within budget. His attention to detail and lack of service call back was immediately apparent and is highly commended by both management and maintenance staff alike.

Tony has always exhibited a high degree of professionalism, integrity and dependability and we would not hesitate to recommend him and his team for similar projects.

Please feel free to contact me directly should you require further information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Neil Finch', written in a cursive style.

Neil Finch, PGA
